End 2013, he left this company and set up his own real estate brokerage and property development activity.

"As Cardis-Sotheby's International Realty continues to pursue its expansion in the Geneva-Nyon-La Côte region, we will greatly benefit from Dino Moschovis' extensive knowledge of Geneva and the Vaud's economic fabric as well as his professional and personal network", proclaims Philippe Cardis, CEO of Cardis – Sotheby's International Realty.

Dino Moschovis' skills and expertise in reselling and in developing new projects, right from the design phase through to delivering the property, will be a valuable asset to us. *"I am honoured to be part of a company whose reputation and hallmark are acknowledged as a gold standard in western Switzerland", declared Dino Moschovis. "I am convinced that Cardis – Sotheby's International Realty has a huge potential for growth in the Geneva region".*

The Executive Committee set very clear goals for Dino Moschovis which he has fully embraced: in sum, to develop business in the Geneva region, revitalize the Geneva agency to ensure it regains its local brokerage leadership, increase our market share over all sales segments (new project promotion, transactions, luxury, reselling) and support team development and expertise. Luca Tagliaboschi, CFO and Regional Manager for the Riviera and Fribourg will work hand-in-hand with Dino Moschovis to ensure he integrates Cardis – Sotheby's easily and successfully and will pass on our values, our marketing perspective and our results-based culture to him.

As such, Dino Moschovis will replace Pierre Hagmann who has decided to pursue other career interests and will leave our company at the end of July this year. Dino Moschovis will officially take up his position on 1st June 2017.
